### SKILLS

- Core Java
- Spring Boot
- Hibernate
- JDBC
- JSP
- HTML
- CSS
- Javascript
- J2EE
- Angular
- Postman
- SQL

### STRENGTHS

- Creativity
- Time Management
- Problem-Solving Skill
- Adherence to Deadlines

### PROFILE

Passionate and dedicated Java Full Stack Developer, eager to contribute technical skills, innovation, and a strong academic foundation to a dynamic software development team. Seeking an entry-level position to apply theoretical knowledge in practical scenarios, while continuously learning and growing in a professional environment.

### PROFESSIONAL SUMMARY

Dynamic fresher with expertise in Java, HTML, CSS, JavaScript, Hibernate, JDBC, Spring Boot, SQL, and MySQL. Eager to contribute to software projects, quick to learn new technologies, and committed to excellence. Strong team player with excellent communication skills, poised to embark on a successful career in full-stack development.

### PROJECT

#### Restaurant Management System

##### Software Versions

- Our Restaurant Management System project employs the following software versions for seamless functionality:
- Chrome - Version 119
- Back End (BE): Eclipse - Version 2023-06
- Database (DB): MySQL - Version 5.0

Developed an advanced Restaurant Management System leveraging a diverse technology stack, including Java, HTML, CSS, JavaScript, Spring Boot, and MySQL. The system seamlessly integrates functionalities for customers to place orders with ease. Upon order placement, pertinent details such as customer name, mobile number, and address are efficiently communicated to the admin. This real-time information empowers the admin to manage and oversee the orders effectively. To enhance the customer experience, a dedicated delivery module is incorporated, enabling smooth coordination with delivery executives. The system facilitates a seamless cash-on-delivery process, ensuring a secure and convenient transaction for customers.

#### Roles and Responsibilities :

- Led end-to-end development of Restaurant Management System
- Solely handled design, database management, and security implementation.
- Collaborated with stakeholders for iterative improvements.
- Ensured seamless order management and effective communication channels

# EDUCATION

---

**Shivaji University, Kolhapur**

**Yashwantrao Chavan College Of Science, Karad**

Bachelor of Science (B.Sc. in Chemistry) 2021

Percentage: 90.25%
